

Be a super reader and use the **8 comprehension strategies.**

### Visualising

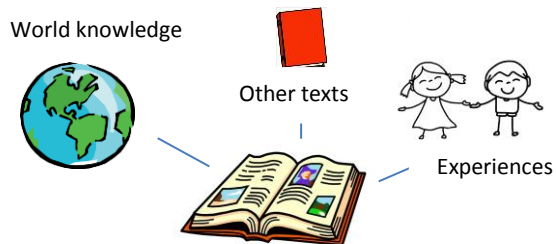

Good readers create pictures in their head as they read. They create a mind movie!

### Questioning

Good readers constantly ask and answer questions as they read.

### Connecting

Good readers relate the text they are reading to other things that they know.

### Predicting

Good readers predict what is going to happen next. They make good guesses.

### Monitoring and Clarifying

Good readers realise when they don't understand what they're reading. They go back and try to make sense of their reading or ask someone to help.

### Summarising

**SUMmarise It**  
**S**horter than the text  
**U**se your own words  
**M**ain ideas only

Good readers can explain what they have read in their own words by picking out the most important parts.

### Structuring

Good readers understand how texts are organised and use this to locate information.

### Inferring

Good readers use their background knowledge to work things out about a text that aren't actually written.
