Dear Parents/Carers

I am pleased to tell you that I have been bringing my Poodle – Buddy into school.

The children have shown a great deal of interest in Buddy so he will be coming into school on a regular basis. He has a lovely calming influence on the children but also enjoys playing catch and he's great at giving cuddles!

Buddy is a non-shedding dog but if you have any concerns about your child meeting him (maybe due to fur allergies) then please let me know ASAP.

If any child is nervous of dogs, they will not be forced to get close to him if they don't want to. Buddy will stay on his lead at all times and will not be able to approach any nervous children. Please be assured that Buddy is an extremely friendly dog with a lovely nature and I'm sure the children will love meeting him.

Yours sincerely,

Mrs Amatt
